

Town of Harpersfield
25399 State Highway 23
Harpersfield N.Y. 13786

Specifications

For one (1) new 2026 or newer model year dump truck, four wheel drive, GVWR not less than 19,500 lbs., with a plow, sander and side wing.

Proposals entitled to be considered must be made in accordance with the following:

1. All bidders must be authorized dealers for the make of the equipment listed on their proposal sheet.
2. All bidders must maintain an adequate service and parts department with mechanics trained and experienced in the repair of equipment listed on the proposal sheet.
3. All bids must be exclusive of Federal and State Taxes.
4. The delivery date and year of the manufacturer are factors in the awarding of the bid and must be specified on the bidder's proposal sheet.
5. The bid price must be net, and will include delivery of the new equipment with all transportation charges prepaid to the point of destination.
6. The equipment accepted by the Town Board must be guaranteed against defective parts and workmanship for the period of the manufacturer's standard warranty. This guarantee must be in writing and must be approved by the manufacturer and a copy of the manufacturer's warranty must accompany each bid.
7. The Town Board acting through the Highway Superintendent reserves the right to waive any informality and to reject any or all bids.
8. Bids will not be accepted from bidders who are in receivership or involuntary bankruptcy.
9. A statement of Non-Collusion must be included with each bid.
10. The equipment listed on the proposal sheet shall be delivered subject to an inspection by the Town Highway Superintendent and the town reserves the right to reject and or refuse payment for equipment that does not meet the specifications attached hereto.
11. Compliance with section 103A and 103B of General Municipal Law is required of all bidders.
12. The Town of Harpersfield requires thirty (30) working days to pay for this working product from the time of delivery to the Highway Garage.
